**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON AUGUST 6, 2009**

INTRODUCTION

This proxy statement is being furnished to the holders of common stock, par value \$0.0001 per share, of NRDC Acquisition Corp., a Delaware corporation (which is sometimes referred to in this proxy statement as the “Company”, “we”, “our” or “us”), in connection with the solicitation of proxies by our Board of Directors for use at the Annual Meeting of Stockholders to be held at 11 a.m., Eastern Daylight Time, on August 6, 2009, at the offices of Sidley Austin LLP, 787 Seventh Avenue, New York, New York, and at any adjournments or postponements thereof (the “Annual Meeting”). This proxy statement and the enclosed form of proxy were first mailed to stockholders on or about July 10, 2009.

Our Annual Report on Form 10-K, as amended, for the year ended December 31, 2008, is enclosed with this proxy statement.

VOTING INFORMATION

Voting Rights, Quorum and Required Vote

Only holders of record of our common stock at the close of business on the record date, July 2, 2009 (the “Record Date”), will be entitled to vote at the Annual Meeting. At the close of business on the Record Date there were 51,750,000 shares of common stock outstanding and entitled to vote. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon at the Annual Meeting. A quorum is required for our stockholders to conduct business at the Annual Meeting. Holders of a majority of the issued and outstanding shares of common stock, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If, however, such a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote, present in person or represented by proxy, shall have the power to adjourn or postpone the meeting from time to time, without notice other than announcement at the Annual Meeting, until a quorum shall be present or represented.

For Proposal No. 1, Directors will be elected by a plurality of the votes cast. This means the number of shares of common stock cast “for” a director’s election exceeds the number of shares of common stock cast “against” a director’s election. Abstentions and broker non-votes will be considered present and will be counted towards determining whether or not a quorum is present, however abstentions and broker non-votes will not affect the election of nominees receiving a plurality of votes. A broker non-vote occurs when a broker or other holder of record holding shares for a beneficial owner submits a proxy for the meeting but does not vote on a particular proposal because that holder does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner. Properly executed proxies submitted by stockholders without instructions will be considered present and will be counted towards determining whether or not a quorum is present and will be voted “FOR” the election of the director nominees listed in Proposal No. 1.

We are not aware of any business that may properly be brought before the Annual Meeting other than those matters described in this Proxy Statement. However, the enclosed proxy card gives discretionary authority to persons named on the proxy card to vote the shares in their best judgment if any matters other than those shown on the proxy card are properly brought before the Annual Meeting. Such matters will be decided by a majority of the votes cast.

All votes will be tabulated by Continental Stock Transfer & Trust Company, the inspector of election appointed for the Annual Meeting.

Voting of Proxies

Stockholders are requested to complete, date, sign and return the accompanying proxy in the enclosed return envelope (which is postage prepaid if mailed in the United States) as promptly as possible to ensure representation at the Annual Meeting. All completed, dated, signed, and returned proxies that are not revoked will be voted in accordance with the instructions contained therein.

Expenses of Solicitation

The expenses of soliciting proxies to be voted at the Annual Meeting will be paid by us. Following the original mailing of the proxies and other soliciting materials, we and our agents may also solicit proxies by mail, telephone, fax, the Internet or in person. Following the original mailing of the proxies and other soliciting materials, we will request that brokers, custodians, nominees and other record holders of our common stock forward copies of the proxy and other soliciting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. In such cases, upon the request of the record holders, we will reimburse such holders for their reasonable expenses.

Revocability of Proxies

Any person signing a proxy in the form accompanying this proxy statement has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote pursuant to the proxy. A proxy may be revoked by a writing delivered to us stating that the proxy is revoked, by a subsequent proxy that is signed by the person who signed the earlier proxy and is delivered before or at the Annual Meeting, or by attendance at the Annual Meeting and voting in person. Please note, however, that if a stockholder's shares are held of record by a broker, bank or other nominee and that stockholder wishes to vote at the Annual Meeting, the stockholder must bring to the Annual Meeting a letter from the broker, bank or other nominee confirming that stockholder's beneficial ownership of the shares.

List of Stockholders

In accordance with Delaware General Corporation Law, a list of stockholders entitled to vote at the Annual Meeting will be available for ten days prior to the Annual Meeting, for any purpose germane to the Annual Meeting, between the hours of 9:00 a.m. and 5:00 p.m., local time, at our offices at 3 Manhattanville Road, Purchase, New York 10577.

Voting Confidentiality

Proxies, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. This information will not be disclosed to unrelated third parties except as required by law.

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

Our Amended and Restated Certificate of Incorporation and our Bylaws provide that our Board of Directors will consist of not less than one nor more than thirteen members, with such number to be fixed by our Board of Directors. The number of directors has been fixed at nine by our Board of Directors. Messrs. Michael J. Indiveri and Edward H. Meyer and Ms. Laura H. Pomerantz currently serve as directors and have been nominated by our Board of Directors for re-election at the Annual Meeting.

If elected at the Annual Meeting, each nominee would serve until the third succeeding Annual Meeting of Stockholders and until his or her successor has been duly elected and qualified, or until such director's earlier death, resignation or removal. Unless otherwise provided by law, any vacancy on the Board, including a vacancy created by an increase in the authorized number of directors, may only be filled by the affirmative vote of a majority of the remaining directors then in office, although less than a quorum, or by the sole remaining director. Any director so elected to fill a vacancy shall serve for the remainder of the full term in which the vacancy occurred and until such director's successor is elected and qualified, or until his or her earlier death, resignation or removal.

Directors will be elected by a plurality of the votes cast of the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. Shares represented by a dated, signed, and returned proxy that give no instructions as to how they should be voted on a particular proposal at the Annual Meeting will be voted "FOR" the election of all nominees presented by our Board. Abstentions and broker non-votes will not affect the election of nominees receiving a plurality of votes. In the event that any nominee for any reason is unable to serve, or for good cause will not serve, the proxies will be voted for such substitute nominee as the present Board may determine. The Board of Directors has no reason to believe that any nominee will refuse or be unable to serve if elected.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE
FOR THE ELECTION OF EACH OF THE NOMINATED DIRECTORS.**

CORPORATE GOVERNANCE

Code of Ethics

We have adopted a Code of Ethics that applies to our directors and officers. A copy of our code of ethics is available by accessing our public filings at the SEC's web site at www.sec.gov. In addition, a copy of the Code of Ethics will be provided without charge upon request from us. We intend to disclose any amendments to or waivers of certain provisions of our Code of Ethics in a Form 8-K.

Director Independence

NYSE Amex Equities standards require that a majority of our Board of Directors be independent. Our Board of Directors has determined that Michael J. Indiveri, Edward H. Meyer, Laura Pomerantz, Vincent Tese and Ronald W. Tysoe are "independent directors" as defined in NYSE Amex Equities listing standards and applicable SEC rules. Our independent directors have regularly scheduled meetings at which only independent directors are present.

Board Committees

Our Board of Directors has formed an Audit Committee and a Compensation Committee. Each committee is comprised of three directors. Our Audit Committee has a written charter which is available by accessing our public filings at the SEC's web site at www.sec.gov, and will be provided in print and without charge upon request from us.

Audit Committee.

Our Audit Committee consists of each of Michael J. Indiveri, Vincent S. Tese and Ronald W. Tysoe, all of whom have been determined to be "independent" as defined in Rule 10A-3 of the Exchange Act and the rules of NYSE Amex Equities. Our Board of Directors has determined that each of the members of our Audit Committee is financially literate and our Board of Directors has determined that Michael J. Indiveri qualifies as an "audit committee financial expert" as defined in applicable SEC rules.

A copy of our Audit Committee's charter is attached hereto as Appendix A and is also available free of charge at the SEC's web site at www.sec.gov.

The responsibilities of our Audit Committee include:

- meeting with our independent accountants regarding, among other issues, audits, and adequacy of our accounting and control systems;
- monitoring the independence of the independent auditor;
- verifying the rotation of the lead (or coordinating) audit partner having primary responsibility for the audit and the audit partner responsible for reviewing the audit as required by law;
- inquiring and discussing with management our compliance with applicable laws and regulations;
- pre-approving all audit services and permitted non audit services to be performed by our independent auditor, including the fees and terms of the services to be performed;
- appointing or replacing the independent auditor;
- determining the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work;

- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or reports which raise material issues regarding our financial statements or accounting policies;
- monitoring compliance on a quarterly basis with the terms of the initial public offering and, if any noncompliance is identified, immediately taking all action necessary to rectify such noncompliance or otherwise causing compliance with the terms of our initial public offering; and
- reviewing and approving all payments made to our existing stockholders, sponsors, officers or directors and their respective affiliates, other than a payment of an aggregate of \$7,500 per month to our sponsor for office space and administrative services. Any payments made to members of our Audit Committee will be reviewed and approved by our Board of Directors, with the interested director or directors abstaining from such review and approval.

Compensation Committee.

Our Compensation Committee consists of each of Mr. Meyer, Ms. Pomerantz and Mr. Ronald W. Tysoe, each of whom is “independent” as defined in the rules of NYSE Amex Equities and the SEC. Ronald W. Tysoe serves as the Chairman of the Compensation Committee. The Compensation Committee does not have a written charter. None of our directors or officers have received any compensation in their capacity as officers or directors, except for out-of-pocket expenses incurred by them in connection with activities on our behalf. The functions of our Compensation Committee include:

- establishing overall employee compensation policies and recommending to our Board of Directors major compensation programs;
- subsequent to our consummation of a business combination, reviewing and approving the compensation of our officers and directors, including salary and bonus awards;
- administering our various employee benefit, pension and equity incentive programs;
- reviewing officer and director indemnification and insurance matters; and
- preparing an annual report on executive compensation for inclusion in our proxy statement.

Nominating Committee.

We do not currently have a nominating committee and thus do not have a nominating committee charter. We do not believe a formal nominating committee is necessary at this time as the independent members (Mr. Indiveri, Mr. Meyer, Ms. Pomerantz, Mr. Tese and Mr. Tysoe) of our Board of Directors perform the functions of a nominating committee.

Our independent Board members assist the Board in determining the desired experience, skill level and other criteria and qualities appropriate for Board membership. In considering candidates to serve as directors, the independent Board members consider all factors they deem relevant, including: intelligence, personal integrity and sound judgment; business and professional skills and experience; familiarity with our business and their respective industries in general; independence from management; ability to devote sufficient time to Board business; commitment to regularly attend and participate in meetings of our Board and its committees; and concern for the long-term interests of the stockholders.

The independent Board members who perform the functions of a nominating committee do not have a policy for considering stockholder-recommended director candidates because stockholders may also nominate persons for election to the Board of Directors at an annual meeting of stockholders. Any such nominations must be made pursuant to timely notice in writing to the President of the Company. To be timely, a stockholder’s notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 60 days nor more

than 90 days prior to the anniversary date of the immediately preceding annual meeting; provided, however, that in the event that the annual meeting with respect to which such notice is to be tendered is not held within 30 days before or after such anniversary date, to be timely, notice by the stockholder must be received no later than the close of business on the 10th day following the day on which notice of the meeting or public disclosure thereof was given or made. Such stockholder's notice shall set forth (i) as to each person whom the stockholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act (including such person's written consent to being named as a nominee and to serving as a director if elected); and (ii) as to the stockholder giving the notice (1) the name and address, as they appear on the Company's books, of such stockholder, (2) the class and number of shares of stock of the Company which are beneficially owned by such stockholder and (3) a description of all arrangements or understandings between such stockholder and any other person or persons (including their names) in connection with such nomination and any material interest of such stockholder in such nomination.

Board Meetings

Each of our Board of Directors and our Audit Committee met five times during fiscal 2008. Each director attended at least 75% of the total number of meetings of our Board of Directors. Each member of our Audit Committee attended at least 75% of the total number of meetings of our Audit Committee. Our Compensation Committee did not meet in fiscal 2008. Our Compensation Committee has met one time thus far in fiscal 2009, with each member of the committee in attendance.

Director Compensation

No compensation of any kind, including finder's and consulting fees, will be paid to any of our executive officers, directors, or existing stockholders, or any of their respective affiliates (except as otherwise set forth herein), for services rendered prior to or in connection with an initial business combination. However, our executive officers and directors will be reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf, such as attending Board of Directors meetings, identifying potential target businesses and performing due diligence on suitable business combinations. There is no limit on the amount of out-of-pocket expenses reimbursable by us and there will be no review of the reasonableness of the expenses by anyone other than our Board of Directors, which includes persons who may seek reimbursement, or a court of competent jurisdiction if such reimbursement is challenged. To the extent such out-of-pocket expenses exceed the available proceeds not deposited in the trust account, such out-of-pocket expenses would not be reimbursed by us unless we consummate an initial business combination.

In addition, our current executive officers and directors may or may not remain with us following an initial business combination, depending on the type of business acquired and the industry in which the target business operates. If they do remain with our company, we may enter into employment or other compensation arrangements with them following an initial business combination, the terms of which have not yet been determined. We cannot assure you that our current executive officers and directors will be retained in any significant role, or at all, and have no ability to determine what remuneration, if any, will be paid to them if they are retained following an initial business combination.

Compensation Committee Interlocks and Insider Participation

None.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

The following table sets forth information regarding the beneficial ownership of our common stock as of the Record Date, by each of our directors and executive officers, all of our directors and executive officers as a group and other persons who beneficially own 5% or more of our outstanding common stock. Unless otherwise indicated,

we believe that all persons named in the table have sole voting and investment power with respect to all shares of common stock beneficially owned by them.

This information is reported in accordance with the beneficial ownership rules of the SEC under which a person is deemed to be the beneficial owner of a security if that person has or shares voting power or investment power with respect to such security or has the right to acquire such ownership within 60 days. Shares of common stock which an individual or group has a right to acquire within 60 days pursuant to the exercise or conversion of options, warrants or other similar convertible or derivative securities are deemed to be outstanding for the purpose of computing the percentage ownership of such individual or group, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person shown in the table.

We have based our calculation of the percentage of beneficial ownership on 51,750,000 shares of common stock outstanding on the Record Date.

COMPENSATION DISCUSSION AND ANALYSIS

Other than the \$7,500 per month administrative services arrangement with NRDC Capital Management, LLC for services rendered to us, no compensation of any kind, including finder's and consulting fees, has been or will be paid to any of our executive officers or any of their respective affiliates (except as otherwise set forth herein), for services rendered prior to or in connection with an initial business combination. However, our executive officers have been and will be reimbursed for any out-of-pocket expenses incurred in connection with activities on our behalf. There is no limit on the amount of out-of-pocket expenses reimbursable by us and there will be no review of the reasonableness of the expenses by anyone other than our Board of Directors, which includes persons who may seek reimbursement, or a court of competent jurisdiction if such reimbursement is challenged. To the extent such out-of-pocket expenses exceed the available proceeds not deposited in the trust account, such out-of-pocket expenses would not be reimbursed by us unless we consummate an initial business combination.

Our current executive officers may or may not remain with us following an initial business combination, depending on the type of business acquired and the industry in which the target business operates. If they do remain with our company, we may enter into employment or other compensation arrangements with them following an initial business combination, the terms of which have not yet been determined. We cannot assure you that our current executive officers will be retained in any significant role, or at all, and have no ability to determine what remuneration, if any, will be paid to them if they are retained following an initial business combination.

CERTAIN RELATIONSHIPS, RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

On October 23, 2007, we consummated a private placement of 8,000,000 warrants with NRDC Capital Management, LLC, an entity owned and controlled by the executive officers of the Company, and an offering of 41,400,000 units, including 5,400,000 units pursuant to the underwriters' over-allotment option. We received net proceeds of approximately \$384,000,000 and also received \$8,000,000 of proceeds from the private placement sale of 8,000,000 insider warrants to NRDC Capital Management, LLC.

NRDC Capital Management, LLC has agreed to purchase from the Company an aggregate of 2,000,000 of its units at a price of \$10.00 per unit for an aggregate purchase price of \$20,000,000 in a transaction that will occur immediately prior to the consummation of our initial business combination. Each unit will consist of one share of common stock and one warrant. These co-investment units are identical to the units sold in the offering except that the common stock and the warrants included in the co-investment units, and the common stock issuable upon exercise of those warrants, with certain limited exceptions, may not be transferred or sold for one year after the consummation of our initial business combination and those warrants may be exercised after that date only if the last sales price of our common stock on NYSE Amex Equities, or other national securities exchange on which our common stock may be traded, equals or exceeds \$14.25 per share for any 20 trading days within a 30-trading-day period and that the warrants included therein will be exercisable on a cashless basis so long as they are held by the original purchaser or its permitted transferees.

The warrants will expire at 5:00 p.m., New York City time, on October 17, 2011 or earlier upon redemption of the warrants by us.

We also pay NRDC Capital Management, LLC a monthly fee of \$7,500 for general and administrative services, including office space, utilities, and secretarial support.

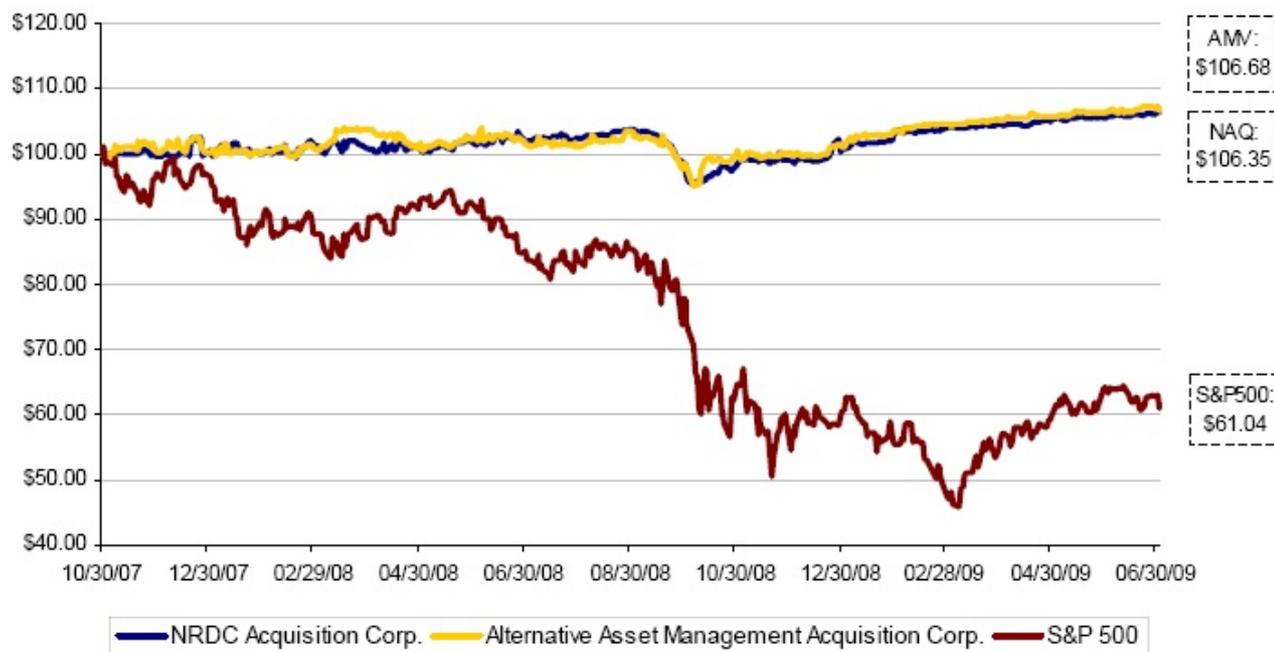

Other than the \$7,500 administrative services arrangement for services rendered to us, no compensation of any kind, including finder's and consulting fees, will be paid to any of our executive officers, directors, or existing stockholders or any of their respective affiliates prior to or in connection with the initial business combination. However, our executive officers and directors will receive reimbursement for any out-of-pocket expenses incurred by them in connection with activities on our behalf, such as identifying potential target businesses, and performing due diligence on suitable business combinations. For the fiscal years ended December 31, 2008 and 2007, \$0 and \$3,000.00 in out-of-pocket expenses were incurred by our executive officers and directors, which expenses are expected to be reimbursed in the coming fiscal year. Although our executive officers currently intend to continue to be involved in the management of the combined company after our initial business combination, because the role of our current executive officers and directors after an initial business combination is uncertain, we have no current

ability to determine what remuneration, if any, will be paid to current officers and directors after an initial business combination.

All ongoing and future transactions between us and any of our officers and directors or their respective affiliates, will be on terms no less favorable to us than could be obtained from independent parties and will require prior approval by the Audit Committee and by a majority of the independent directors who do not have an interest in the transaction. In addition, if we enter into a business combination with one or more businesses affiliated with our existing stockholders or our current executive officers or directors, we will obtain an opinion from an independent investment banking firm regarding the fairness to our stockholders from a financial point of view.

An independent registered public accounting firm is engaged to audit the financial statements and express an opinion as to whether those audited financial statements fairly present, in all material respects, the financial position, results of operations, and cash flows of the Company in conformity with U.S. generally accepted accounting principles and to audit the Company’s internal controls over financial reporting and express an opinion on the effectiveness of those internal controls over financial reporting. INDEPENDENT ACCOUNTANTS

As disclosed in our December 13, 2007 8-K filing (the "8-K"), certain partners of Goldstein Golub Kessler LLP ("GGK") became partners of McGladrey & Pullen, LLP ("M&P"). As a result, GGK resigned as auditors of the Company effective December 10, 2007 and M&P was appointed as our independent registered public accounting firm. M&P has been selected to continue in this capacity for fiscal 2009. We do not expect that a representative from M&P will be present at the Annual Meeting.

The audit reports of GGK on the financial statements of the Company for the period from July 10, 2007 (inception) to July 13, 2007 and from July 10, 2007 (inception) to October 23, 2007 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The decision to engage M&P was approved by the audit committee of the Company's board of directors.

During the Company's initial audit period from July 10, 2007 (inception) to October 23, 2007 and through December 10, 2007, the Company did not consult with M&P on (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that may be rendered on the Company's financial statements, and M&P did not provide either a written report or oral advice to the Company that M&P concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) any matter that was the subject of any disagreement, as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

During the period from July 10, 2007 (inception) to October 23, 2007 and through the date hereof, there were: (i) no disagreements between the Company and GGK on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of GGK, would have caused GGK to make reference to the subject matter of the disagreement in their reports on the Company's financial statements for such years, and (ii) no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

The Company provided GGK a copy of the disclosures in the 8-K prior to its filing with the SEC and requested that GGK furnish it with a letter addressed to the SEC stating whether or not GGK agrees with the Company's statements in Item 4.01 of the 8-K. A copy of the letter dated December 12, 2007 furnished by GGK in response to that request is filed as Exhibit 99.2 to the 8-K.

M&P and GGK have billed the Company as follows for the years ended December 31, 2008 and 2007.

Fee Category	For the year ended December 31, 2008	For the period from July 10, 2007 (inception) to December 31, 2007
Audit fees – McGladrey & Pullen, LLP	\$88,500	\$25,000
Audit fees – Goldstein Golub Kessler LLP	–	\$55,500
Tax fees – RSM McGladrey, Inc.	\$5,500	–
Other fees – RSM McGladrey, Inc.	–	\$26,000

GGK had a continuing relationship with RSM McGladrey, Inc. (“RSM”), from which it leased audit staff who were full time, permanent employees of RSM and through which its partners provided non-audit services. GGK had no full-time employees and therefore, none of the audit services performed was provided by permanent full-time employees of GGK. GGK managed and supervised the audit and audit staff, and was exclusively responsible for the opinion rendered in connection with the audit.

Pre-Approval Policy

Upon the completion of our initial public offering and the effectiveness of our registration statement in connection therewith, and on a going-forward basis, in accordance with Section 10A(i) of the Securities Exchange Act of 1934, before we engage our independent accountant to render audit and non-audit services, the engagement has been and will be approved by our audit committee. Prior to such time, our Board of Directors, as a whole, functioned as our audit committee. Any and all fees and services described above under “audit related fees”, “tax

fees”, and “all other fees” during fiscal years 2008 and 2007 were pursuant to an engagement approved by the audit committee, as described above.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC.
