INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Stockholders

We have audited the accompanying Statement of Revenues and Certain Expenses of the property known as Canyon Park Shopping Center, located in Bothell, Washington (the "Property") for the year ended December 31, 2010 (the "financial statement"). The financial statement is the responsibility of the Property's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal controls over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Property's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying financial statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission as described in note 2 and is not intended to be a complete presentation of the Property's revenues and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenues and certain expenses of the Property for the year ended December 31, 2010, in conformity with accounting principles generally accepted in the United States of America.

CANYON PARK SHOPPING CENTER
NOTES TO STATEMENT OF REVENUES AND CERTAIN EXPENSES
FOR THE YEAR ENDED DECEMBER 31, 2010 (AUDITED) AND
NINE MONTHS ENDED SEPTEMBER 30, 2011 (UNAUDITED)

1. Business and Organization

Canyon Park Shopping Center (the "Property") is a shopping center located in Bothell, Washington. The Property was owned by Canyon Park Development Co. ("Seller"). The Property, which is anchored by two tenants, has an aggregate gross rentable area of approximately 121,713 square feet. The anchor tenants occupy approximately 73,200 square feet.

On July 29, 2011, the Property was acquired by ROIC Washington, LLC ("Buyer"), a wholly-owned subsidiary of Retail Opportunity Investments Corp. (the "Company").

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Presentation

The Statement of Revenues and Certain Expenses (the "financial statement") has been prepared for the purpose of complying with the provisions of Rule 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the "SEC"), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The financial statement includes the historical revenues and certain expenses of the Property, exclusive of rental income related to parcels not acquired by the Company, interest income, depreciation and amortization, rental income relating to the allocation of purchase price of the Property to above/below market leases and management and advisory fees, which may not be comparable to the corresponding amounts reflected in the future operations of the Property.

Revenue Recognition

The Property's operations consist of rental income earned from tenants under leasing arrangements which generally provide for minimum rents and tenant reimbursements. All leases are classified as operating leases. Minimum rents are recognized by amortizing the aggregate lease payments on a straight-line basis over the terms of the lease (including rent holidays). Tenant reimbursements for real estate taxes, common area maintenance and other recoverable costs are recognized as rental income in the period that the expenses are incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Property's management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Accounts Receivable

Bad debts are recorded under the specific identification method, whereby uncollectible receivables are reserved for when identified.

Repairs and Maintenance

Repairs and maintenance costs are expensed as incurred, while significant improvements, renovations and replacements are capitalized.

3. Subsequent Events

The Company has evaluated subsequent events through November 28, 2011, and has determined that there were no subsequent events or transactions which would require recognition or disclosure in the financial statements.

4. Leases

The Property is subject to non-cancelable lease agreements, subject to various escalation clauses, with tenants for retail space. As of December 31, 2010, the future minimum rentals on non-cancelable operating leases expiring in various years are as follows:

Year ending December 31	Amounts
2011	\$ 1,335,757
2012	1,106,410
2013	914,906
2014	761,729
2015	487,705
Thereafter	1,027,868
	<u>\$ 5,634,375</u>

The tenant leases provide for annual rentals that include the tenants' proportionate share of real estate taxes and certain property operating expenses. The Property's tenant leases generally include tenant renewal options that can extend the lease terms.

Rental income on the financial statement includes the effect of amortizing the aggregate minimum lease payments on a straight-line basis over the entire terms of the leases, which amounted to a decrease of \$119,800 and \$106,700 in rental income for the year ended December 31, 2010 and the nine months ended September 30, 2011, respectively.

5. Commitments and Contingencies

None.
